

Expert Speak

Please feel free to put forth questions to our panel of experts belonging to a particular field of interest regarding the curriculum, career options, future prospects, guidance for a particular course/ entrance exam/ test series which are provided by GURU-G. Our experts will be more than happy to put your queries to rest.

Home tuitions

Students can avail private home tuitions where academic experts visit the student's place for tutoring and guiding. Students can choose between individual tuitions and the Super 3 G batch tuitions. Both will be provided with notes, aids and thorough guidance.

Private tuitions- experts of each subject personally visit the student for tutoring, this involves guidance, regular tests and learning tips.

Super GURU-G Batch tuitions- A unique approach towards learning, involving group studying. A batch of 2(min) to 5(max) students are tutored either at the residence of one of the students in the batch or at the GURU-G classroom, depending upon the convenience of the students.

Free courses

On enrollment/ confirmation of admission a student can choose from a variety of free courses to widen and brighten his/her horizon. The courses to choose from are MS Office (complete) DTP-Tally, English Speaking, Vedic Mathematics, **memory analysis**. Be office ready with MS Office and tally. Develop confidence by fluency in English by enrolling for English speaking. Calculate within seconds and ace in mathematics with the age old science of vedic mathematics and memorize numerous formulae by applying **memory analysis**.
