

Dear Parent,

Greetings from ScholarMinds !

In past months at Scholarminds, the curriculum covered includes :

1. Fundamental & Comprehensive School Curriculum
2. Detailed Lab Sessions

The Fundamental curriculum will be over by 20th Oct 2015.

In the Month of September, students attempted Explorer Club Sessions.

The sessions were mainly aimed at developing the skillsets in students to research, organise and present the projects chosen. You can obtain information on your ward's project & performance from respective faculty.

Here on wards the Scholarminds Advanced/IITFoundation modules will start.

The courseware and the modules will vary for students based on their performance so far.

You are requested to meet the coordinator to understand further course for your ward between 17th-20th Oct 2015& collect the respective course material.

To fix your appointment by SMS/Whatsupp or Call [9738883729](tel:9738883729).

The Mock Olympiad test series is scheduled for students during 10th-17th Oct for those students who appearing for SOF olympiads.

Kindly ensure prompt attendance to tests and explanation sessions in case your ward is appearing for olympiads.

Looking forward to see you soon.

Thank you,

Warm regards

Scholarminds Team.
