

Study in Canada

Canadian universities consistently rank among the best in the world, while Canada is continually rated one of the best countries in the world in which to live.

Students studying in Canada invariably return home academically strong, with fond memories of their student years.

As many students will attest in this guide, Canada offers a wonderful cross-cultural experience, able to assist you with second-language development and to foster a solid network of international connections to last a lifetime.

Known for tolerance and their welcoming nature, Canada is characterized by a vibrant, inclusive culture that draws strength from the many immigrant groups that have made this country their home.

Why Study in CANADA ?

- Canada's education system is excellent and ranks among the best in the world.
- Possibility to work in Canada after graduation.
- The best employment opportunities as per your skills level.
- As per federal labor law minimum salary is 11 C\$ per hour.
- A safe, stable country.
- Very good social securities & powerful human rights.
- Child education is free up to secondary level.
- Standard of living is very high.
