

This course is for students studying under the CBSE Board.

The course duration is of generally for **4 months**, during which classes would be scheduled for 5 days a week, **Monday-Friday for one hour duration.** Fee charges would be 12,000/- in total (Can be paid in 2 instalments)

The kid needs an access to skype using a laptop/computer.

I am not a conventional teacher, who will make the student cram the chapters, Rather its going to be a journey for both of us. during this journey we are like companions and we learn the interesting facts & stories.

Also, as soon as a topic is covered, an assessment is a must. This enhances the confidence of the student many folds.

In-short : *This is going to be a fun filled learning experience for the kid.*

NOTE: The first class is a demo class which is **FREE*** for all online students.
