TO WHOMSOEVER IT MAY CONCERN

This is to acknowledge that **V G Pranav** was employed in our organization as **Music Teacher (Guitar) - Life Art Education for Schools from January 2017 to April 2018**. The scope of work was to train children in designated schools in Guitar.

In the long association with Pranav, we have had a very good working relationship. We found him an eager learner and are happy to see him grow as a confident teacher. He was always up to date in submitting reports to Life Art Education administrators and the school. His track record of attendance was very good.

We wish him the best in all his endeavors in future.

Yours truly,
