

Day 1

There lived a farmer in a village to teach a lesson to his sons. One day he calls them and a bundle of sticks and asked them to break it. Four of them tried their best but could not break it. Then he gives them a single stick, four of them tried but then the father told them that 'UNITED WE STAND AND

Day 7

There lived a farmer in a village. He teaches a lesson to his sons about unity. He gives them a bundle of sticks and asks them to break it. Four of them tried their best but could not break it. Then he gives them a single stick, four of them tried but one of them broke the stick. Then the father says that this proves that 'UNITED WE STAND, BUT WE FALL'.
