

**GEMS SCHOOL - GUNTUR**

**SEP-5TH -2019-20**

*Dear: Mr. Ravi Kumar. P.T*

*Teachers play an important part in shaping up the lives of students. Teacher inspires the mind, ignites the imagination and instill a love of learning. Like an artist paints a black canvas, turning it into a master piece, the impression the teacher makes on young minds goes a long way in shaping their personalities. The role of a teacher is very important when you consider the fact that they mould the minds of our future. Teaches the importance of discipline and instill responsibility.*

*We salute your willingness to give so much of your time for the sake of "GEMS Students & Our Community".*

*We wish you a bright successful career with GEMS!!!!!!*

*Enjoy the time off which you so richly deserve!!!!*

*Warm Regards  
Prasanna Rani Joy.D  
Principal Goms School-Guntur*
