Recommendation Letter

Dated: 06/09/14

To whomsoever it may concern

I have known Shrikant Chaphekar for last 8 years. He worked with me as my direct reportee in TechMahindra for more than three years as part of Delivery and Business Operations function.

I have known him to be sincere and a computer savvy professional. His contribution to the PMO functions while he worked as a senior member of the Tech Mahindra PMO for BT operations, has been noteworthy. He performed very well and has exhibited innovative ideas which brought in efficiency in the BT PMO functions. His initiative to develop utilities and applications have been appreciated by Tech Mahindra senior Management and customers alike.

Shrikant had always been passionate about skill building. He conducted trainings for various teams in the organization proactively as part of organization training programs. Some areas where he contributed as a trainer are : Managing Support and Maintenance projects, Software Estimation Techniques, Contract Performance Review, Post Implementation Review for Projects, ,Project Management, Function Point Analysis, ITIL – framework processes, Commercial Scorecard reports, Productivity Improvement tools etc...

I recommend Shrikant Chaphekar for the position applied in your institute/organization.

Sincerely,

Dilip Londhe
