

Background about Myself:

- Software Engineer worked for a reputed IT industry for 6.5years
- Into home tutoring(in My place) and online tutoring(for international students) from past 2 years
- Volunteer teacher in e-Vidhyalokha,an organisation teaching government schools of Karnataka from past 1 year
- Certified Tutor from Vidhyanext organisation

Teaching Approach:

1. Diagnostic Test will be conducted for the student when enrolling for tuition to assess the knowledge level of the student.
2. Based on the score, whether to conduct a foundation course for two weeks or to refresh the basics for 1 week will be decided
3. Mean while a lesson plan will be created for the whole year for the students and the same will be shared with the parents. (Unique for each child based on the diagnostic test score)
4. Weekly test will be conducted
5. Minimal home-works will be give provided there is holiday/ parents are very specific about home work but still based on the workload from school
6. Monthly test will be conducted and progress will be shared with parents
7. Play backs will be also used as a made of assessment to check the understanding level of the student

Rules & Guidelines:

- Tuition will be provided only in tutor's place.
 - No cancellation of classes either by student or student allowed. In such cases, the same class will be compensation based on the flexibility from both end.
 - The total no of classes per month remains constant as per the plan. No increase or decrease in no's.
 - Payment expected on the 1st of the every month via cash or bank transfer, advanced payment method used to avoid any issues.
 - First month payment can be paid on 1st of second month once the student is happy with the tutoring approach
 - Pick and drop to be handled by parents from door to door/ to be taken care by students, if somebody picks up they should be picking up the student from door.
 - Student has to acknowledge back once he/she has reached back safely either through call/sms/whatsapp to ensure safety
 - Attendance details will be sent to parents on weekly basis
 - Student/ Parent needs to carry the following documents while enrolling for tutoring
1. Passport size photo of the student
 2. Address proof of residence
 3. Copy of Marks card of the earlier year(if not available parents feedback will be collected while enrolment)
 4. Any one government ID proof of the parent
