

Our Profile

Learn Unlearn was established with a vision towards bringing about innovation in the area of Training. The company believes in assisting participants in going through a period of “**unlearning**” prior to “learning”, and thus provides them with a complete **paradigm shift in learning**. Learn Unlearn resolves to provide effective training programmes, delivered by competent Trainers, and through their proficient training methodology. The team focuses on being **creative** and customizing modules

for every programme, so as to ensure an experiential learning for the participants. The objective is to ensure that both, the Trainers and the participants, enjoy the learning experience, and at the same time, ensure that the overall contribution of the employee towards the organization is enhanced.

Trainers at Learn Unlearn have a phenomenal combined experience of over 30 years in the Training industry, and are passionate about bringing about the best in individuals through their trainings. We specialize in providing training programmes in various soft skills modules such as Effective Communication, Personality Development, Grooming, Language Enhancement, Business Etiquette, Goal Setting, Brand and branding, Advertising, Team Building, and Leadership to name a few. We have also demonstrated our expertise in conducting trainings in Sales, MS Excel, MS PowerPoint, Quality and Process Management, and Information Security Awareness.

Our Trainers have conducted training programmes across organizations Sitel India, Gold Shield Services Plc., Taj Group of Hotels, Hutchison max Telecom (now Vodafone), Yash Birla Group, Gulf Air, Emirates, Frankfinn Institute Of Airhostess Training, Glaxo Smith & Kline, One Tangent, and Ocwen Financial Solutions Pvt. Limited. Besides, our trainers have also conducted sessions for schools, and for physically challenged individuals through an NGO, TRRAIN.
