Other than Ivies we have admissions records to some of the most prestigious places on planet earth Purdue, Johns Hopkins, London School of Economics, Imperial College, Carnegie Mellon, University of Michigan, University of Texas Austin, UC Santa Barbara, SUNY Stony Brook, USC, Boston University, Northwestern Kellogg School, etc.

## We know what we teach you. After all we have written 50+ books

Only institute in India to write and publish its own course material for IELTS, GRE, GMAT, TOEFL. Over 20,000 pages of course ware published by us.

Students get our take home course material as part of our coaching and classes.

## Our CEO himself studied at a top 5 Engineering University (Purdue)

We believe in doing what we preach. Our CEO Mr. Amit Jalan himself studied at a top 5 Engineering university at Purdue University, USA. So you get first-hand expert information & guidance. Our Management team have studied from top places on planet earth - Purdue University, University of Bradford UK, Arizona State University.

## Our own Magic invention for teaching GRE

We have literally invented a system for teaching GRE vocabulary which is magical. In few days you are guaranteed to learn 3000 words. It is such a unique and magical system that you will love it. We now not only have GRE students but CAT aspirants flock to learn the wordlists.

## 8 out of 10 students giving exam for IELTS, TOEFL prep with us

In Baroda if you have prepared or preparing for IELTS, there is an 80% chance you are doing so at EEC. Why – we just love to teach. Our teachers are passionate, well trained and well known, course material is exhaustive and written and published by us. No other institute in India has this ability, mostly all use general market books and some even our books :)

We are also the only British Council Platinum Partner in Gujarat. All faculty are trained by the British Council, ETS, IDP, PTE. They are also the highest paid in the industry.

## Leaders in GMAT and SAT Coaching & Classes

If you want to prepare and take classes for the longest and toughest tests such as the GMAT and SAT there is no better place to do so than EEC. GMAT doesn't test what you know – It actually tests how you think. SAT with 10 sections and 4 hours long is perhaps the toughest international entrance exam in the world.

← THE GMAT TESTS "HOW YOU THINK" NOT "WHAT YOU KNOW."

Our take home and classroom GMAT course material alone is 6.7 kg in weight ..

## Leaders in Canada University & College Admissions

We personally visited 45 colleges in Canada as early as in October 2001. From Nova Scotia to Vancouver, from Montreal to Toronto. From Niagara to British Columbia. We have seen it all in person and not just on the internet. We were also among the 1<sup>st</sup> representatives in India for Seneca College, Laurentian University, Centennial College, George Brown College, Niagara College, Algonquin College, Conestoga College, Georgian College etc.,

So at EEC our experience of sending students to Canada is the longest.
