Skills

Dance Interpretation: Students create a dance based on a story.

Story Creation: Develop a story and choreograph a dance to tell it.

Interactive Storytelling: Narrate a story and have students respond with dance.

Dance Drama: Combine theater and dance for storytelling.

My Experience

BIRLA INDUSTRIES

Dance Teacher

I am an Indian dance teacher engaging students with dynamic dance routines and captivating stories, blending tradition with creativity.

GREEN VALLEY ACADEMY

Child teacher

Make a curriculum at the school and make another education method in the school.

Embracing cultural diversity

For the past two years, I've engaged students with dance, storytelling, and fun, blending traditional and creative techniques.
