

Social Science

MRS. SUNITA DAVID HOD (SOCIAL SCIENCE)

Social science is a branch of study which deals with Human beings – their behaviour, growth and development .It help students to become better Citizens.Social science subjects educate students on Constitutional laws, Rights and Duties,Morals and Virtues, making children aware of their roles and responsibilities. Children develop awareness of the world and Environment.

Knowledge about the Revolutions, movements, civilizations enable students to understand how the World and different societies have evolved.

Study of Social Science expands the critical thinking and imagination of students. Activities in the classroom provides students with opportunities to deepen their learning by applying concepts and provide teachers feedback about the student's learning. Our faculty with dedicated team provides platform to the students to explore their talents in various fields like speech, debate. slogan writing, poster making and project Making
