Creativity

Innovation

This is an organization that offers the state of the art, personalized coaching that is aimed at empowering the individual in an all rounded manner

Our Approach

Using the Commit-Participate-Learn process facilitation mode, we have identified two value streams for our stakeholders, namely:

1. Organization Capability Building for Business Results
2. Business transformation

Our Specialties

We strive to combine the experiential learning of our corporate mentors and the vast empirical knowledge base developed in various academic fields to render focused interventions for Large Corporations, SMEs and Business Schools. All our interventions are delivered through workshops spread over the entire learning cycle of an individual and the change absorption cycle of an Organization

Our Team

- While our team remains independent, we work together under the About Leaders Consulting banner – and represent a collective that can draw upon a unique depth and breadth of experience. In short – About Leaders provides a unique value to clients across a broad array of industry, professional services, and academic institutions by providing a unique, competitive advantage for today's challenging marketplace

Our Aim

- With proven leadership development methods, we know how to build leaders. Leadership is the key element to making a positive difference on business and sales results.

What we Think

- Leadership is a driving force in organizational performance, both for good and for bad. While we typically think of leadership as a positive force, which is essential for leading the worldtowards success..always

"It's not what you lead, it's who you are when you're leading"

Quotes

- You have a choice, to focus on the roses or on the thorns
- Do not follow where the path may lead. Go, instead, where there is no path and leave a trail-Ralpho Waldo Emerson
- Losers see obstacles while winners see opportunities
- If you want to go fast, walk alone, if you want to go far walk with God
- Life is a game you need the rules

- 
- If one door closes another one will open
 - There's only one happiness in this life, to love and be loved
 - Never look back unless you want to go that way
 - The price of greatness is responsibility

- 
- The greatest tragedy in life is not death but what dies inside of us while we live
 - Very often a change of self is needed more than a change of scene
 - If you don't like something change it. If you cant, change your attitude
 - Dream as if you will live forever, live as if you will die today
 - Do not dwell in the past, do not dream of the future, concentrate the mind on the present moment
 - Some people will never learn anything, for this reason, because they understand everything too soon
 - I never think of the future it comes soon enough

Why you need services

- We develop people's **Leadership Skills** so they have the confidence and authority to make a real difference in their organizations.
- Leadership is one of those things that's often awfully hard to define but you know when you see it, and you definitely know when it's missing.
- You may have some people who now have to 'step up to the plate' and take on far more of a leadership role than previously. You may need them to demonstrate the kind of leadership behaviors that others aspire to.
- There may be managers who have to take the next step and go beyond being good or even excellent managers, to become inspirational leaders within the business
