

MBA Interview Key Areas:

While you are getting ready to go for your all important MBA entrance Interview, you should take some time to prepare yourself for 20-30 expected questions. I have shared the expected questions list on this site and am happy sharing the key areas where the interviewer is likely to ask questions.

- **Motivation and Goals:** Why MBA? Career goals, long term goals.
- **Academic Background:** Undergraduate studies, strengths, weaknesses, academic challenges.
- **Work Experience:** Roles, responsibilities, achievements, lessons learned.
- **Leadership:** Examples of leadership, teamwork, problem solving.
- **Case Studies:** Problem solving, analytical skills, decision making.
- **Fit with the Program:** Why the chosen program, alignment with goals.
- **Current Affairs:** Awareness of global events and business trends.
- **Behavioural Questions:** Situational and behavioral scenarios to assess skills.
- **Ethics and Values:** Personal beliefs and how they align with the program's values.
- **Question for the Interviewer:** Show interest and engagement.
