

Career Counseling – Services Offered

1. One-on-One Career Guidance (India & U.S.)

Personalized sessions to help students and professionals make informed career decisions based on interests, strengths, academic background, and market demand in both India and the U.S.

2. Stream & Course Selection

Guidance on choosing the right academic stream or specialization — whether you're planning undergraduate, postgraduate, PhD, Post doctoral Associate, Research Assistant or Certification-level study.

3. University & Country Selection Counseling

Expert advice on selecting the best-fit Universities and countries based on career goals, VISA trends, budget, and long-term settlement plans.

4. High-Demand Skills & Future-Proof Careers

Insights into the most in-demand skills and emerging industries — with guidance on how to align your education and training for long-term career security.

5. Career Switch Strategy & Skill Gap Analysis

Support for professionals looking to transition into new fields, with analysis of skill gaps, upskilling options, and personalized transition roadmaps.

6. Study Abroad Planning & Timeline Management

Step-by-step planning for overseas education, including timelines for exams, applications, VISA processes, finances, and accommodation.

7. Short-Term & Long-Term Goal Setting

Helping individuals define clear career objectives and create action plans to achieve them, whether it's higher studies, job placement, or relocation abroad.

8. Post-Study Career Pathways (India & U.S.)

Career direction and VISA guidance for students after graduation — including job search strategies, CPT/OPT/ J1, H1B in the U.S., or return-to-home-country planning.

9. Parental Counseling for Career Support

Sessions for parents to understand their child's career path, study abroad plans, financial commitment, and emotional support needs.

10. Resume, Job Portal & Application Support

Career-focused review of resumes and assistance with online job applications through major Indian and U.S. job portals.
