

Knowledge Vibe

Online **TUITION**

Learn without limits, from anywhere and anytime. Discover your potential through our online classes

FOR 11TH & 12TH

Accountancy
Economics
Business study

Learning becomes easy when concepts are explained step by step. In my online classes, I help students understand topics clearly, practice important questions, and prepare effectively for exams. I focus on building strong basics so students can score better and feel confident in their subjects. Regular revision and doubt sessions are also included.
