

# SWAPAN M

Technical co-ordinator  
Graphic, 2D & Art Faculty

Mr. Swapan M. is a passionate graphic designer, 2D animator, and creative educator with over ten years of experience in the multimedia and design industry. His remarkable journey includes collaborations with esteemed organizations such as Snapdeal, Amazon, Caps Studio, and Image Creative Education, where he honed invaluable skills in teaching, graphic design, animation, and motion graphics.

For the past seven years, Mr. Swapan has devoted himself to Image Creative Education, inspiring students across India in design fundamentals, animation techniques, and industry-relevant creative practices. His unwavering commitment to enhancing employability and facilitating job placements empowers the dreams of future talent.

In addition to teaching, Mr. Swapan plays an active role in academic coordination and branch-level leadership, driving institutional growth and quality. He consistently organizes seminars, workshops, and pre-placement communication training programs, showcasing his dedication to student development beyond the classroom.

With a harmonious blend of industry expertise, academic experience, and mentoring skills, Mr. Swapan embodies the spirit of creative education, training, and academic coordination, promoting mutual growth both professionally and personally.
