Tutor Profile Summary

About Me

Hello, my name is Mritunjay. I am a Mechanical Engineering graduate (2019) and have also completed an MBA in Finance & Marketing (2023). I studied in a Hindi-medium background up to Class 12, which gives me a strong understanding of the Hindi language and helps me explain concepts in a simple and practical way.

My educational journey from Hindi medium to professional higher education has taught me the importance of strong language skills and effective communication. Because of this experience, I can easily connect with beginners, school students, and non-Hindi speakers who want to improve their Hindi speaking, reading, pronunciation, and confidence.

Why Choose This Course?

Key benefits for students and parents

My goal is to help every student speak, read, and understand Hindi with confidence

Simple Explanation Easy language and clear steps for beginners	Confidence Building Regular speaking practice in every class	Revision Support Worksheets and revision for better improvement
Personal Attention Lessons planned according to student level	Practical Hindi Useful sentences for real-life communication	Friendly Class Comfortable learning environment for children

Start your Hindi learning journey today with a clear, simple and confidence-building course.
