WEEK
11–12

Continued Mock Cycle + Sectional Drilling

Weeks 11–12 follow the same rotating pattern:

- Monday: Full Mock Analysis
- Wednesday: Weakest Section Drill (identified from mock)
- Friday: Mixed timed practice + CA update

By end of Month 3 the student should have completed 8+ full mocks and seen measurable improvement in score consistency.

MONTH 4 — CONSOLIDATION & SPEED

No new concepts in Month 4. All energy goes into speed, accuracy, and mock consistency.

DAY / SCHEDULE	ACTIVITY
Monday (Every Week)	Full Mock Test → Detailed analysis → Error log update
Wednesday (Every Week)	Weakest Section identified from that week's mock → Drill session
Friday (Every Week)	Mixed Practice: 30 Legal + 30 Logical + 20 English + 15 CA + 10 Quant (timed)
Weekly Target	Minimum 90/120 on every mock by end of Month 4
Mock Count Target	16–20 full mocks completed by end of Month 4

MONTH 4 — KEY FOCUS AREAS

- **Accuracy over Speed:** Targeting 85%+ accuracy before worrying about attempting all questions
- **Attempt Strategy:** Which sections to attempt first in the exam — build a personal order
- **Eliminating Careless Errors:** Double-checking inferences and legal conclusions before marking
- **CA Consolidation:** Daily 15-min CA revision using monthly compendium + own notes
- **Vocabulary Mastery:** Review all 200+ words learned; use in context

MONTH 5 — FINAL SPRINT

FOCUS AREA	WEEK 17–20 PLAN
Mock Analysis	3 full mocks per week + detailed review of every wrong answer
Current Affairs	Daily 20-min revision; final 6-month CA compendium
Legal Reasoning	20 legal passages under timed conditions per week
Reading Comprehension	4 RC passages daily at exam pace
