

CBSE Class 12 Chemistry -2026

PROGRAM STRUCTURE OVERVIEW

- ☒ Total Chapters: 10
- ☒ Classes per Chapter: 6
- ☒ Total Classes: 60
- ☒ Duration per Class: 1 Hour
- ☒ Total Teaching Hours: 60 Hours

Premium Program Structure

July–December: Full Syllabus Completion

- Weekly chapter test
- Numerical drill sheets
- Organic reaction maps

Jan- Feb: Board Pattern Mastery

- 10-year question bank
- Case-based question practice
- Answer presentation training
- Final Board Simulation
- 4-6 full-length mock exams
- Error analysis sheets
- Practical & viva training

Group- A (Monday, Tuesday, Thursday)

Organic (5)

1. Haloalkanes and Haloarenes
2. Alcohols, Phenols and Ethers
3. Aldehydes, Ketones and Carboxylic Acids
4. Amines
5. Biomolecules

Inorganic (2)

6. The d- and f-Block Elements
7. Coordination Compounds

Physical (3)

8. Solutions
9. Electrochemistry
10. Chemical Kinetics

Annual Academic Flow Summary

July -September →	Organic Chemistry
October →	Inorganic Chemistry
November – December →	Physical Chemistry
January – February →	Board Pattern Mastery
