- 2) Functional & Situational Conversation**
- 3) Pronunciation, Fluency & Vocabulary**
- 4) Advanced Fluency & Public Speaking**

1.Foundation & Grammar (Practical Usage)

- Sentence Structure: Subject + Verb + Object (SVO).
- Tenses: Active use of Simple Present, Present Continuous, Simple Past, and Simple Future.
- Question Building: Framing WH-questions (What, Where, When, Why, How) and Tag Questions.
- Modals & Auxiliaries: Using *Can, Could, Should, Would, May* for requests and possibilities

2.Functional & Situational Conversation

- **Greetings & Small Talk:** Making introductions, offering compliments, and asking about someone's day.
- **Everyday Transactions:** Ordering food at a restaurant, booking tickets, asking for directions, or banking.
- **Telephone & Digital Etiquette:** Making calls, leaving voice messages, and writing professional/friendly emails.
- **Expressing Opinions:** Agreeing, disagreeing, apologizing, and asking for clarification politely

3. Pronunciation, Fluency & Vocabulary

- **Word Stress & Intonation:** Learning how to emphasize words to change meaning and sound natural.
- **Vowel & Consonant Sounds:** Overcoming regional phonetic habits and practicing common tongue twisters.
- **Vocabulary Expansion:** Learning synonyms, common phrasal verbs, and everyday idioms rather than formal, dictionary-heavy words

4. Advanced Fluency & Public Speaking

Building the confidence to speak in front of others or in professional settings:

- **JAM (Just A Minute) Sessions:** Speaking continuously on a random topic to reduce hesitation.
- **Group Discussions (GD):** Participating in debates and learning how to interrupt and transition respectfully.
- **Interviews & Presentations:** Conducting mock job interviews and delivering short, structured talks
