

Trading Pledge

Trading is the toughest Skill, and it is a game of Uncertainty.

It is my Duty to Protect my Capital.

I learn new Trading skills and apply them in my trading activities.

I show Full Patience in finding the right trade opportunities.

Before Starting my Trading Activities, I always plan my Trade, set my Stoploss, Set my Target.

I always take a note of Loss Probabilities before any trade entry.

I always follow my Trading Rules strictly and update the status report on every EOD.

I am a very Low Risk Trader.

I understand the Trend and trade in the Trend Direction.

Trend is my **Friend**, and I do not trade against the Trend Direction.

I always follow the market direction and trade confidently.

I develop Calmness attitude after taking trades.

No matter what I obey my Stoploss.

I always control my emotions and update my “**State of Mind**” Sheet frequently.

I always update my Trading Journal and learn from my previous mistakes.

I am responsible for my Losses and Profits. I do not fight with the market.

I never convert my profits into Losses.

I always accept my Losses and cut my losses short.

I do not trade if I have **Panicness, FOMO, Fear, Overexcitement, Happiness, Sadness, Overconfidence, Doubtfulness and Revenge.**

I don't worry if I miss the opportunity because there is always a next trade.

I trade with less risk if I have **Confidence and Calmness.**

I always adhere to my “**Trading Pledge**” and follow these rules Strictly.
