TO WHOM IT MAY CONCERN

This is to certify that Ms. Kashish Kapahi (Enrollment No.:341503008), a student of Yogananda College of Engineering & Technology, has successfully completed an internship at the Department of Computer Science and Engineering, Indian Institute of Technology Jammu, under my supervision. The internship was carried out from 22nd July 2026 to 24th August 2026, for a duration of 1 month.

During the internship, Kashish worked on the project titled "Biometrically Verifiable Cross-Lingual Talking Avatars with Identity and Emotion Preservation."

Throughout the internship, she demonstrated dedication, technical competence, and a strong commitment to learning. She completed the assigned work successfully within the stipulated timeline, and her overall performance was highly satisfactory.

Kashish Kapahi exhibited the ability to understand complex concepts, apply them effectively to practical problems, and work both independently and collaboratively. She displayed a strong work ethic, analytical thinking, and a proactive approach to problem-solving. Her contributions positively supported the successful completion of the project.

I wish Kashish Kapahi every success in her future academic and professional endeavours.

If you require any additional information, please feel free to contact me.
