Dear Committee Members,

It is with great honor and enthusiasm that I submit this letter of recommendation for Mr. C.A. Rahman, IFS (Retd.) in consideration for your prestigious **Honorary Doctorate program**. As a former Faculty and Principal of Central Academy for State Forest Officers, Byrnihat, Assam, Ministry of Environment, Forest & Climate Change, Government of India, I have followed Mr. C. A. Rahman's professional efficiency and achievements with highest regard till 2020. Mr. Rahman's contributions to the training of officials of forest, police and other CAPF organizations from across the country on forest, environment, biodiversity and wildlife crime management and laws are highly appreciated in true sense. His dedication to advancing the standard of training on forest and wildlife has also been instrumental during his service tenure. He also served as a Consultant after superannuation in the year of 2020 during which period his contribution had been noteworthy.

Mr. Rahman has been associated with North Eastern Police Academy, MHA, Govt. of India, as an Eminent Resource Person since 2014 in connection with the training modules relating to Forest, Wildlife and Biodiversity for the officials of State Police, Forest and CAPFs. The sessions conducted by Mr. Rahman from time to time in NEPA, have been highly rated and deeply appreciated by the participants. The participants of such kinds of different training modules have justly been enriched in skills and efficiency to the utmost extent through the sessions of Mr. Rahman, which manifestly nurture them to grow in practical field and their professional career. Mr. Rahman was one of the key authors of the Manual of Standard Operating Procedure for the Forest Officials and Investigating officers prepared for the Meghalaya Forest Deptt. in collaboration of NEPA.
