POST-DOCTORAL RESEARCH PROGRAMME

Memorandum of Appreciation

Presented to

DR. PARIKSHIT CHAKRABORTY

UEN: IIHSR/PHD/ASTR/1126-734

This Certificate of Appreciation is proudly presented to Dr. Parikshit Chakraborty in recognition of his scholarly dedication, research contribution, and commitment to the development of the research work entitled:

“DEVELOPMENT OF AN INTEGRATED PSYCHO-COGNITIVE BEHAVIOURAL MATRIX (PCBM)”

The research presents the Integrated Psycho-Cognitive Behavioural Matrix (PCBM) as a multidimensional analytical framework integrating psychological profiling, cognitive resilience, behavioural adaptation, emotional regulation, and the Medical Numerology metrics of Health Trajectory Number (HTN), Health Statistics Number (HSN), and Health Analytics Number (HAN). PCBM-THESIS-2026-VOL1 CHANGED

The work further develops a structured three-layer analytical approach encompassing baseline vulnerability through HTN, current active stress through HSN, and prospective analytical patterns through HAN, together with systematic methodological, ethical, and quality-control considerations. PCBM-THESIS-2026-VOL1 CHANGED PCBM-THESIS-2026-VOL1 CHANGED

IIHSR European University acknowledges the researcher's sustained scholarly effort in developing and documenting this interdisciplinary research framework and appreciates the contribution made through the preparation and submission of this substantial research work to the Academic Council, IIHSR European University. PCBM-THESIS-2026-VOL1 CHANGED

Research Supervisor: Dr. Ana Pavlovic
Date of Submission: July 2026
