About SSA Global Academy

SSA Global Academy (also known as SSA Academy) is a leadership based educational academy for human growth and excellence. It is dedicated to the advancement of human potential.

It's Founder and Chief Trainer is S A Anand and was established in the year 2010.

At SSA Global Academy, we train people to discover their true passion. We train and educate them to live with profound passion and excitement to change their vocation into vacation - to change their work into play. Our training transforms people interest into commitment. It transforms their seriousness into playfulness.

SSA Global Academy stands for developing human ability to influence, persuade, inspire and motivate people and master their three important senses in order to achieve goals, project and purpose. Our training and coaching methods help people to awaken their potential and master their senses to become a world class master communicator.

The authentic purpose of SSA Global Academy is to train and educate people to master their mind and body in order that, they can live with passion, pursue their purpose, and use their power to create a huge profit in their personal and professional life. We call it 4 P's of SSA Global Academy: People with Purpose and Passion create Massive & Gigantic Power & Profit.

Our training helps people to develop and master:-

- a) Communication & American English / Accent
- b) NLP Skill, passion, attitude, strategy & belief
- c) Behaviour, trust & etiquette
