C N T T E C H N O L O G I E S

Learn to succeed | www.cnttech.org

Who we are..

C N T Technologies is Chandigarh based IT Organization. It is Consulting, Technology Services and Training Company with its operations in North India from last 4 years. Majorly CNT is working on networking and industrial autocad designing projects. Recently we have launched our software and web development services and handling Software and Website Development for domestic clients. C N T is expert in handling corporate training for working employees form various organizations like Dell, Idea, Tech Mahindra and many more local IT companies.

C N T is having its head office at Chandigarh and planning 2 more locations in Delhi and HP. We are currently having a strength of around 10 employees. CNT is associated with the highly experienced IT Professionals with more than 20 years of experience in the IT industry.

We are the first and only VMware authorized training organization in Chandigarh and Punjab region for virtualization and cloud computing services and training.
