## ➤ Visa Guidance

- All students leaving the country to study abroad will need a student visa. To get your documents in order, we will issue you a VISA checklist that enables you to prepare all the paper work required for the VISA interview. Once these documents are ready, we will then check them.
- Later we will take you for a Mock VISA interview before your main interview.
- Outright proof of liquid cash through bank statement.
- Showing all the money required for all the years by liquid ash will boost the chances of your getting a VISA.
- You should present your project report properly arranged.
- Fill your application at your own consulate at a nominal fee submitting your I-20 form issued by the University.
- More details & overall guidance on VISA from our Institute about how to prepare for the VISA Interviews.
- We help students to prepare all the financial documents authentically.

## ➤ Eligibility

- You should have the I-20 (acceptance by the school)
- You should have sufficient funds in your account to fund your study & study during your stay in USA.
- Speak / Read / Write / Understand English well
- You must have a valid TOEFL / IELTS / GRE / GMAT score before applying.
- You must prove that you will return back to your homeland after completion of your studies.
- The school which has sent you the I-20 should be accredited.
