

It is certainly true/It is undeniable/Few would argue/It is irrefutable that if a person works hard and has strong determination, his chances of success are bright. Apart from these factors, luck and proper planning are also considered important for accomplishing goals by some individuals. I shall examine both these sides in this essay.

1. Some people think that hard working and determination are the key factors for being successful in the life, other people feel that other factors are important. Discuss both sides, what is your opinion?

BK 2. Some children start school when they are seven years old, while others start at the age of four. What could be the advantages and disadvantages of starting early (age four)

SEE THE GPA

BK 3. People try to change their look by changing the colour of their hair, using cosmetics, wearing jewellery or even having a plastic surgery done. Why do you think people do it? Do you think changing your look is a good thing?

Extreme should be avoided

Arg

Professional compulsion

viewed favourably by others

look good- feel good-feel confident

BK 4. Usually directors are paid much higher salaries than simple workers. Some people agree with this but others believe it is unfair. Discuss both views and give your own opinion on the topic.

Exploit workers

reasonably well.

Supply-Demand

Why higher

Unique skills which are not easily replaceable

why?

5. Some say that cars should be banned from city centres. Do you agree or disagree with this statement?

6. Public health is a major issue nowadays. Some people say the government should make laws to restrict fast foods and to change nutrition habits of people for healthier ones. Others argue that this is a totally personal issue and everyone should take care of it on their own. Do you agree or disagree?

7. Nowadays it is more difficult for children to concentrate or pay attention in school. Discuss the causes and propose a solution.

8. Some parents believe that watching TV and playing computer

games should be limited and substituted by reading books. Do you agree or disagree? Give your opinion.

9. Nowadays it is easy to apply for and be given a credit card. However, some people experience problems when they are not ~~be~~ able to pay their debts back. In your opinion, do the advantages of credit cards outweigh the disadvantages?

10. Some people say that government should impose tax on companies which produce industrial pollution whereas others think there are other ways to reduce industrial pollution. Discuss both views and give your opinion.
