**STAB** is one of the premier edifying institutes where students will discover how to achieve greater success in both their personal and professional life. Our program will meet the futuristic needs and developmental skills, those are instrumental in facing present day job. With our state of the art infrastructure the students will be acclimatized to proficient work culture and emerge as well rounded professionals.

STAB is committed to provide quality training to all those who enter this portal. A team of highly qualified and experienced faculty members who contribute their very best with single minded facilitation, innovative methodology, individual attention and careful grooming, thereby provides the student with ample opportunity to become winning personalities. STAB assists school students in imparting life skills, job seekers in securing their desired jobs, Corporates in gaining a skilled Employee, etc. Our activities include

### **1. Training & Placement for Jobseekers:**

**Training:-** Students are provided with excessive training starting from the basic level till he / she transforms into a complete personality through our various programs viz., effective communication (starting from alphabets till accent neutralization), Presentation Skills, Group Discussions, Interview Skills, Creative speaking, Stress Management, Telephone Etiquette, Mock Call practice, etc.

**Placement:-** Having tied-up with many MNCs / Corporates through our Consultancy wing, we provide placement assistance for the students undergone training in STAB. Placement assistance is given for students willing to work for Core Companies. However, Placement assurance is given for students willing to work for Call Centres/ BPOs. Also, complete arrangements and job assurance is provided for students willing to work in Malaysia through our Fly Malaysia program.

## **2. Training & Consultancy for Corporates:-**

The aim of STAB Training & Consultancy is to offer the Employees with the best elements of the Corporate culture, to enable them to face the present job trends thereby increasing productivity of the Company.

**Training:-** Employees are provided with excessive training about the importance of securing a job and staying together effectively through our various programs viz., Soft Skills Training, Presentation Skills, HR Training, effective communication, Stress Management, Telephone Etiquette, Time Management, Anger Management, Team Building, Listening skills, motivation programs, Leadership Skills, Marketing Strategies and other Organizational Development programs.

**Consultancy:-** We also meet Company recruitment needs through our Consultancy services. We have with us well-trained and professionally groomed candidates both experienced and fresher's from various disciplines of IT, Non-IT, Diploma, ITI, Front Office, Sales & Marketing, Finance, Administration & Secretarial. Shortly, we supply Permanent, Temporary and Contract Staffs at all levels.

Also Proudly introducing ourselves as a **Job Consultant** - Domestic & International.
