Introduction

Mathsmastermind & Euphoric Science are trademarks Of Scholar-Minds Eduventures Private Limited- an IIM and XLRI Venture.

We Offer:

- The Never Before, Unique, Excitement Packed Mathematics Programs for Juniors -Age Group (6- 16)
- Comprehensive Math Lab and IQ Lab integrated Programs
- Science Lab integrated scholastic Aptitude Development programs
- Unmatched Training to achieve higher results at Olympiads/ Talent Search Examinations in Mathematics & Science.
- Unmatched Online Practice Resource for Students
- Faculty Development and Teachers training programs for Schools and Institutions

ScholarMinds-Background

Conceived as a program concept in 2009, Mathsmastermind has developed unmatched, successfully proven and highly result oriented programs which assure to transform the mathematical aptitude In young minds.

Designed by the ScholarMinds Team comprising of VJTI , IIM & XLRI alumni & having combined experience of 25 years + in the field of providing Premium Quality Math & IQ enhancement, Science exploration & enrichment programs.

Started with 3 students in 2009, ScholarMinds center has Delivered programs to 1000+ students and growing exponentially. Consistently maintaining the quality of delivery and continuous & comprehensive Content development has brought up the unique advantage to programs.

The structured and planned programs now are being made available through our Franchisees.

These Enrichment programs are developed by the division under Scholar Minds Eduventures Pvt Limited- Registered MSME entity under Directorate of Industries and commerce under Govt Of Karnataka with permanent Entrepreneurs Memorandum.

Differentiated Approach

Why Math, Science & IQ Lab Approach?

Loads of Fun

Its better to have your concepts caught than being taught.

Fun fundamentals through Activities

Math & Science is Made by Human mind. It's a MIND GAME.

Say No to-
Endless Repetitions

Mugging up

Boredom

Math Phobia

Science Formulae
Phobia

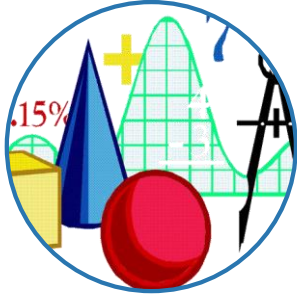

No More Math Phobia

Science/Technology Exploration Tours

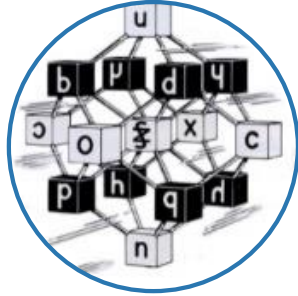

At Scholarminds , we have experimented and proved that the real time exposure to actual application bring in deeper understanding of subject being taught in school. When students are subject to exploration tours, there is no match in the process of learning and helping them out-perform.

Blend of The Best

**Mathematical
& Scholastic
Aptitude**

**Logic
Development**

**Memory Skills
& IQ
Enhancement**

All in One Mathability & Scientific Aptitude Development Programs

Programs Offered

Scholar Minds Programs

Regular Programs: Duration-10 Months

Summer Workshops: Duration: 20 Hours

- Cmprehensive Science Curriculum
- Numerous Science experiments and Projects
- Olympiad Preparation
- Science Park Exploration Visits
- Science Quizzes and Competitions

Euphoric Science
Olympiad Modules
By Weekend SciTechSchool

- Math & IQ Lab
- Mental Math
- Compehensive School Curriculum
- Logical Reasoning
- Olympiad Preparation

Junior Maths Mastermind
For an Extraordinary Mind

Scholar Minds Programs

Programs for Class 1-7

Euphoric Science
Summer Workshop
by Weekend Sci-Tech School

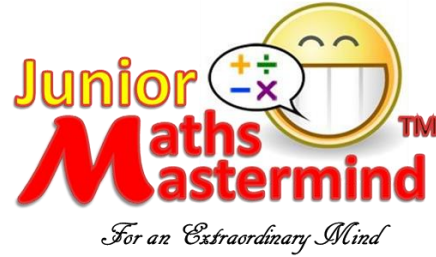

- Hands on Sci tech experiments
- Sky Probing through Telescope
- Mind Mapping
- Science Quizes
- Synopsis Writing

Maths Mastermind
IQ Workshops

- Rapid Mental Math
- IQ Lab Activities
- Olympiad cracking Techniques
- Mind Mapping

Junior MathMastermind Programs

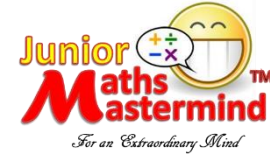

Math Lab. IQ Lab. Mental Math. Comprehensive School Curriculum. Olympiad Preparation. Logical development.

Eligibility: Class 4-7

Enrolment Criterion:
Assessment test for Class 4-7

Duration: 10 months

Focus Areas

JMM- Olympiad Accelerator

Olympiad Preparation
Advance Mastermind Techniques

Memory Skills

JMM-Math IQ Propeller

Online Practice

Logic Development

JMM-Fun Fundamentals

IQ & Math Lab

Academic Curriculum

Math Mastermind Techniques

Math & IQ Lab

- Covers Activities and Varied concepts of Mathematics, integrated with Math Mastermind Worksheets- To Build Strong fundamentals.

Academic Curriculum

- Complete class wise curriculum, preparing child for school examinations(CBSE/ICSE/IGCSE)-Thus no need for tuitions

Mathsmastermind Techniques

- Covers age appropriate Mental arithmetic techniques and its practical application-ensues speed and accuracy in calculations

Online Practice Sessions

- Intensive , unlimited practice sessions for developing Mathematical aptitude-Develops speed & spatial Skills

Logic Development

- Complete IQ Enhancement curriculum comprising of activities, puzzles, riddles, intelligent games and Math Mastermind IQ Worksheets- Unmatched Mental Ability Training for Young Minds

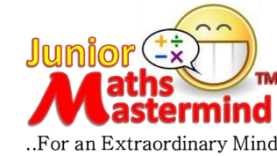

Olympiad/Talent Search Exam Preparation

- International Mathematics Olympiads and Talent search examinations curriculum with periodic tests & evaluation- To promote competitiveness

Memory Skills & i-Mind Mapping

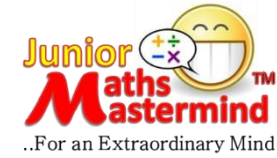

- Mnemonics combined with mind Mapping skills- To ensure learning is forever.

Why Junior Mathsmastermind !

	Junior Maths Mastermind	Abacus	Other Math Programs
Mental Math	Yes	Yes	No
Academic Concepts	Yes	No	Maybe

Euphoric Science Programs

Comprehensive Science Curriculum. Olympiad preparation. Hands On Activities. Exploration Tours

Eligibility: Class 4-7

Enrolment Criterion:
Assessment test for Class 4-7

Duration: 10 months

Science Lab

- Covers various Science lab Activities ranging from Kitchen Science, Day to day science, Model Making, Sci Tech Projects, Fundamental Experiments, microscopic and Telescopic explorations- To satisfy scientific hunger

Academic Curriculum

- Complete class wise curriculum, preparing child for school examinations(CBSE/ICSE/IGCSE)-Thus no need for tuitions

Visuals and Video Library

- With aids of fascinating visuals and videos, students have far better understanding on science and technology curriculum

Scholastic Aptitude Development

- Complete Scholastic Curriculum based on Science and Technology quizzes.

Olympiad/Talent Search Exam Preparation

- International/National Science Olympiads and Talent search examinations curriculum with periodic tests & evaluation- To promote competitiveness

Science Park/Exhibition Exploration

- The visits to periodic exhibitions and science park visits- To ensure science is meaningfully explored.

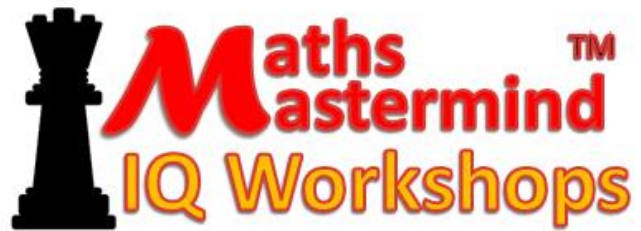

Why Euphoric Science !

	Euphoric Science Programs	Other Science Programs

Scholar Minds Core Team

Mrs Sheetal Bhalerao

(Scholastic Aptitude, Mathematical Aptitude, Edu counselling)

Alumni- VJTI-Mumbai, IIM Bangalore, Founder of Mathsmastermind.com & co-founder of Scholar Minds Edutech, Sheetal brings in the Innovative Training ideas, Out of the box thinking style and Exciting Learning programs which are assured to bring transformational improvement in Students performance and has fetched the wonderful surprising results in Past- Let it Be IMO, NSO or Regional Olympiads, National Olympiads, CBSE/ICSE examinations.

Mr Ashish G

(Physics, Mathematical Aptitude, Quantitative Aptitude, Technology Workshops)

Alumni, REC-Murthal & XLRI-Jamshedpur- Ashish is rightly known as PHYSICS MASTERMIND among his students. He mentors students ranging from Engineering to Science & technology and brings in all his expertise and practical knowledge to the handy use of his students. The only aid he requires and most admired is his Knowledge base and Quick and in-depth evaluation skills for otherwise tougher problems in physics.

Mr Bhaskar S

(Mathematics & comprehensive Fundamental curriculum)

Alumni-IIT-Kharagpur, His Six years of training Experience at Mathsmastermind, has made him the Preferred Master of Mathematics at Scholar Minds. His persistence and researching experience with natural Zeal to expose students to varied Questioning styles takes halt only at the test evaluations.

Mr Sundar D Konda

(Physics, Chemistry & Scholastic Aptitude & Sci tech Workshops)

Alumni-IIT Kharagpur, the Senior most in the team, with 30+ years experience in helping young minds achieve their aspirations, Mr Sundar makes the training sessions elaborate and impressive by adding the essence of his vast exposure and related technology applications to The routine Text Book Theorems, thus making it interesting to students.

And a team of dedicated Instructors and content developers-Inspired by one vision to make Students-Masterminds.
