

## About AFCKS Technologies

**S**tarted in Apr, 2010 with the objective to provide Quality, In-depth and Practical Oriented training to Corporates at affordable fees in Pune mainly for Advanced Excel and VBA/Macros.

**T**raining Quality Standards are ensured at AFCKS Technologies with the help of Team of Expert Faculties having several years of practical experience who are dedicated and committed towards continuous Learning, Training & Research.

### Salient Features of the Institute

- ✓ One Trainer teaches One Course in One Class.
- ✓ The Trainer that starts the Course ends that Course.
- ✓ Examples are demonstrated from scratch (No Premade Material, No PowerPoint Presentations) logically, step by step and later students are given opportunity try by themself.
- ✓ Students are free to clear their doubts without having the fear of getting belittled.
- ✓ Training Quality and Contents are not compromised even though the Course duration extends.
- ✓ Notes are emailed after the each class completes.
- ✓ Students receive updates and notes even after their course gets completed.
- ✓ Present and Past Students Queries are resolved via Email.
- ✓ Students are free to bring and use their own Laptop and Pen-drives.
- ✓ Job Opportunities from various Companies are shared via Email.
- ✓ Fees are always collected in Installments.
- ✓ Fees are same for all. It is on Take it or Leave it basis.
- ✓ Finally all AFCKS'ian are a Family
