

BBC

TALK FRENCH

worksheet 5

1. Flat, house or studio. Watch the video and write down in French 3 names of types of buildings with the correct articles (le, la, un, une).

1. La maison
2.
3.

2. Watch the videos again and work out the French equivalent of these English phrases

English	French
by the sea	
in the city centre	
in the outskirts	
in the countryside	
on the sixth floor	
near	

3. Imagine you're sending a note to a French guest coming to your home or workplace for the first time. Write down a paragraph describing where you live or work and where it is located.
