PUBLICATIONS

TESTMENTOR'S SAT PREPARATION BOOK

This study guide is the most unique, original and one-of-its-kind study guide that provides detailed guidance material on the three sections of Critical Reading, Math and Writing. The guidance material includes a preparation worksheet. Most importantly, the material includes a unique ten-week study plan. After successful completion of the guidance material, students can take the Diagnostic test and five full-length practice tests that are provided at the end of the material. These tests act as confidence booster for students appearing for the final SAT exam.

- Detailed Theory on three sections: Writing, Critical Reading, Math
- Diagnostic Test+ 5 Full Length Tests and List of 800 plus core words
- Lying on the cake: special tips, tricks and strategies provided that help in tremendously improving test taking skills

WORKBOOK

The workbook promises to help you "Crack" the respective sections, by offering tips and trick to solve time-bound questions and providing detailed answers.

Studying becomes interesting when theory is backed up by plenty of exercises and practice tests. This workbook does JUST THAT.

QUALITY PRACTICE TEST

This book introduces a novel practice technique which helps students prepare for the test in a very efficient manner. The practice test adheres to the time specifications. It can be downloaded and solved. A significant feature of this product is that it helps students perform a detailed self-evaluation and provides recommendations. In addition, there is a Counseling expert, who will also evaluate the student's performance.

FLASH CARD

Flash cards have proven to be one of the best methods to learn and assimilate a large amount of information in a limited amount of time. The Flash Card Tool is another Exclusive feature of TestMentor. We provide more than 600 flash cards, that help in increasing the student's vocabulary, in addition to appropriate usage of the words in the Writing and Critical Reading sections. We have compiled 600 plus SAT Vocab words along with definitions, Synonyms, Antonyms and Usage of words in sentences.

DIAGNOSTIC TEST

TestMentor Offers a Diagnostic Test that can help students analyze their preparation for College admission entrance tests. The test comprises of 10 sections including the Survey Section. The test also evaluates the student's ability to answer essay questions. Students have the options to take the test online or to download the questions along with the answers.

The Diagnostic Test has the look and feel of the actual test. Also, it identifies areas for improvement. The Detailed Analysis report provides a detailed analysis of the student's performance from different perspectives, such as, difficulty levels, adherence to allotted time, subject topic and question type.

TUTORING PACKAGE

We have highly qualified and trained tutors who can provide customized tutoring, as per schedule and curriculum, to suit your individual needs. We also offer focused, personalized and flexible tutoring.

There is a lot of emphasis on tackling the toughest part of SAT, which can appear to be extremely difficult and scary. TestMentor assures that you can be guaranteed of high scores on choosing the right package.

For more information about our tutoring services please contact us - email - sales@test-mentor.com

ONLINE COURSE

TestMentor's Online course is designed in a manner such that the student gets the feeling of being hand-held right from the introductory stage and is helped and guided throughout the course in such a way, that the student can take the practice test with full confidence. At the outset, the student will have to take the Diagnostic test in order to assess his/her current levels and also identify areas for improvement. Based on the results of the initial Diagnostic test, the student can choose from any of our products mentioned before, to achieve their fullest potential and attain the highest scores in the full length practice test.

Another prominent feature of TestMentor is the online review available for essay questions. Here, the student can submit their essays online, which will then be reviewed and graded by a TestMentor expert.
