

Hi,

Contact me on Gmail: teja.kittu@gmail.com for projects

Preferred payment is via PayPal.

Kindly go through the below dashboards snapshots

Thanks,

Krishna

Snapshots of sample dashboards

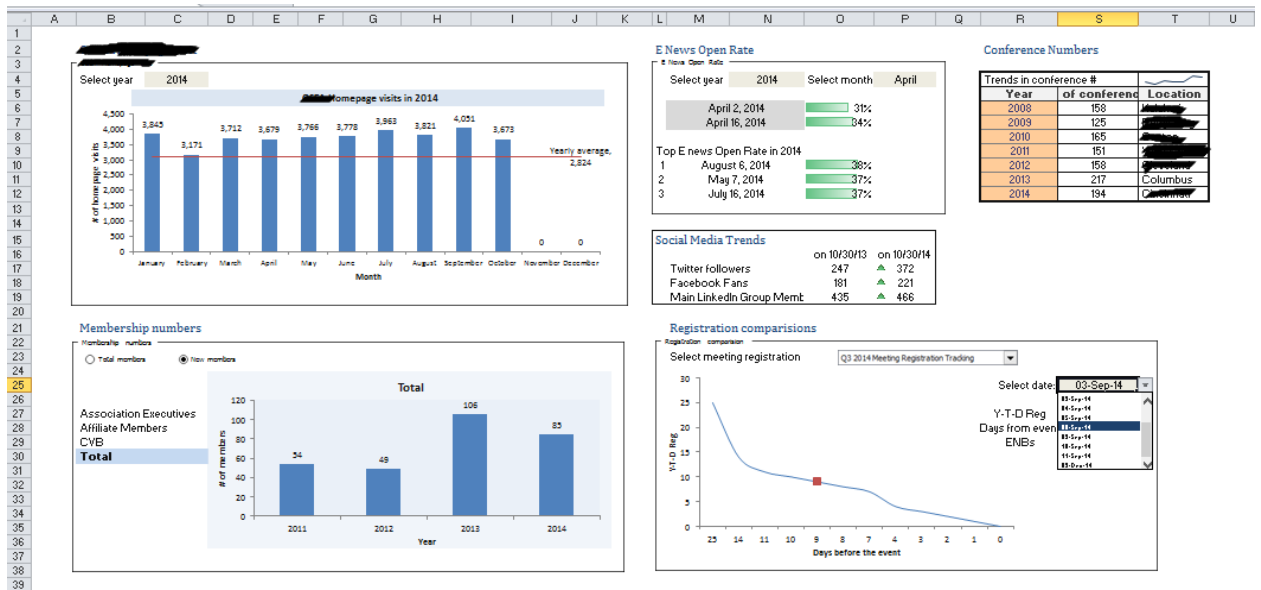

Fig 1

Fig1. The darkened portion is confidential report. The dashboard is analysis of homepage visits, new members tracking, best performance, social media tracking and comparison of registrations over a time period of 5 years

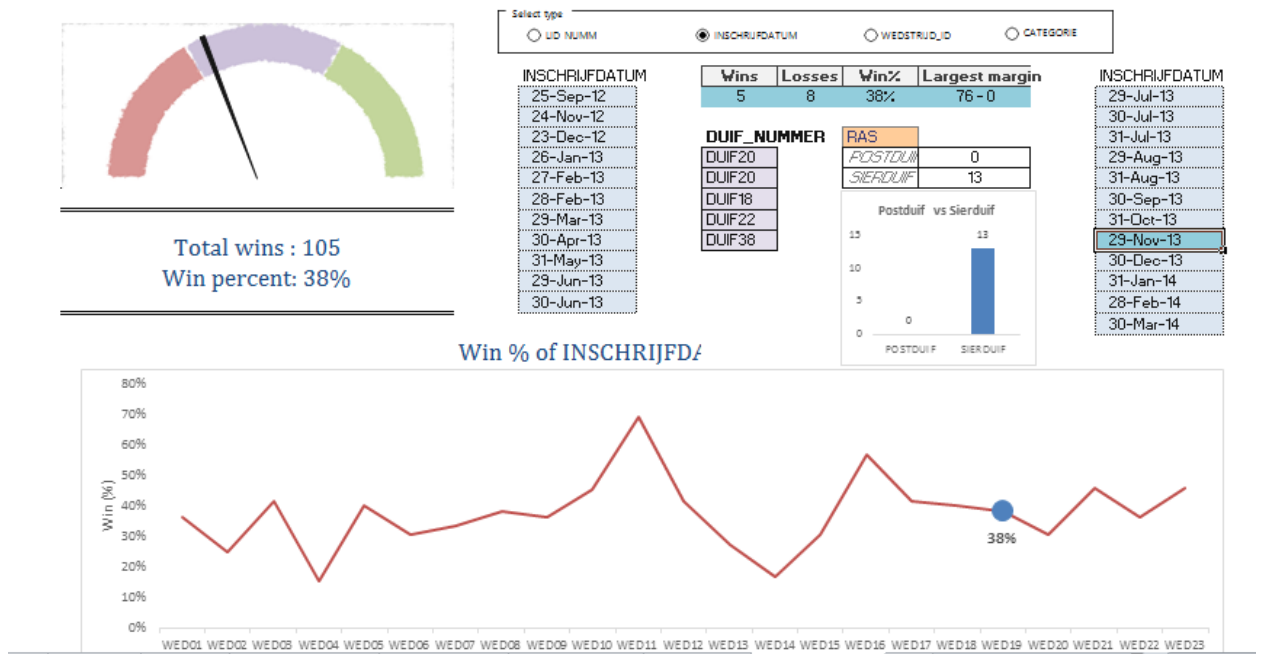

Fig 2

Fig2. Here there is on selecting a particular cell you select the value for that particular date. For e.g. selecting 29 Nov 13, the corresponding value in the graph will be displayed, i.e., 38% for during the term

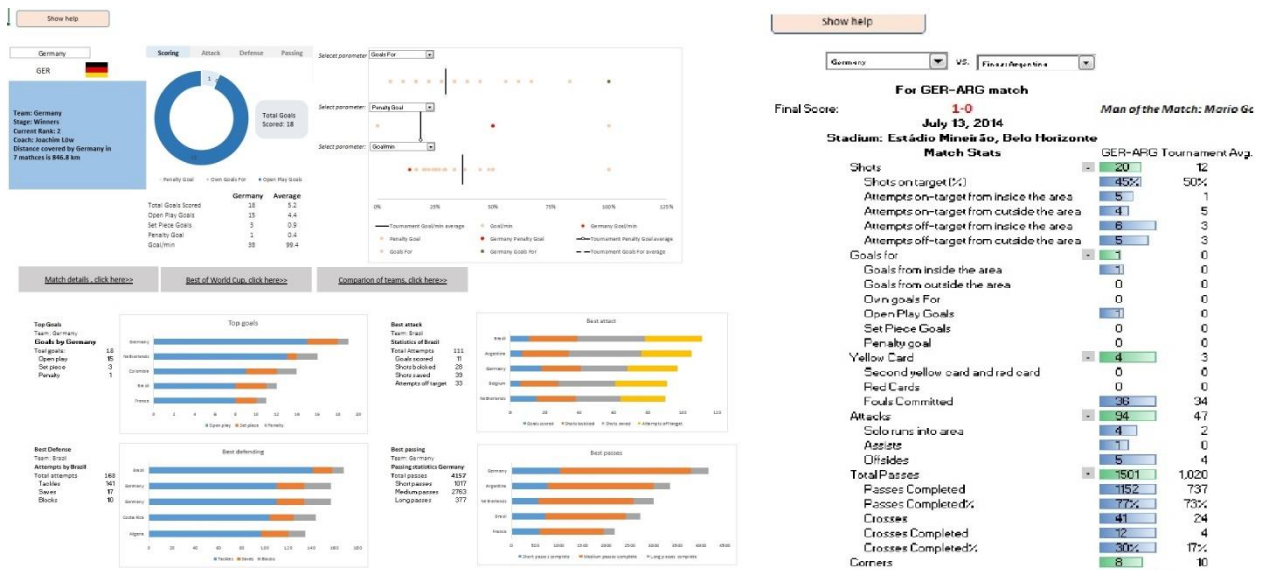

Fig3

Fig3. A dashboard on analysis of FIFA world cup, Brazil, 2014. You can download this dashboard and also view a detailed description on how this is made by [clicking here](#)

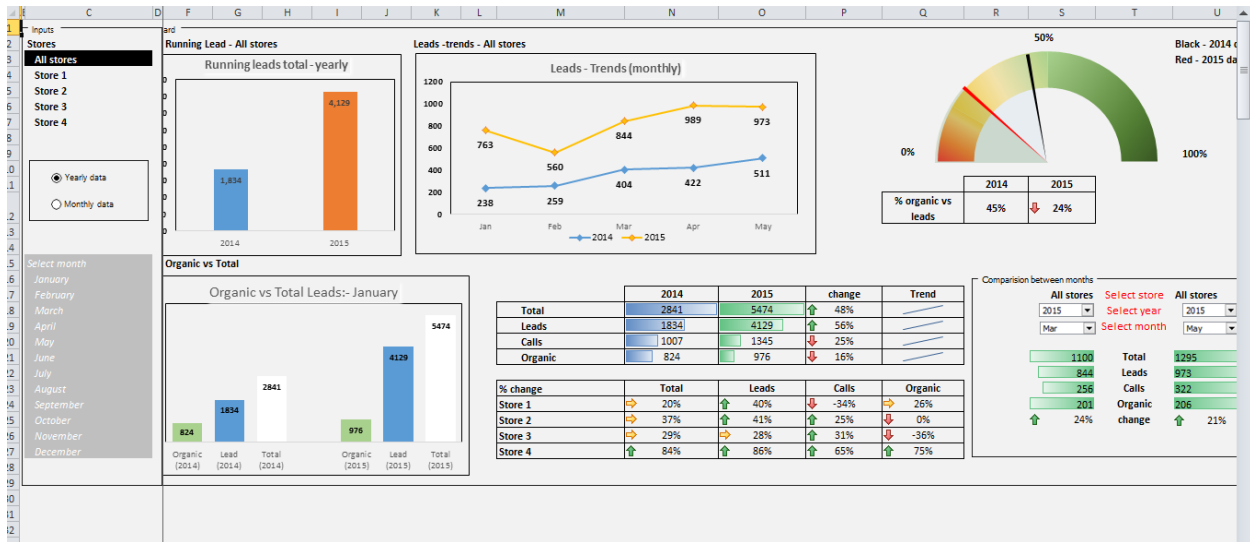

Fig4. Data analysis of yearly and monthly data of various stores for total leads, calls and converts.

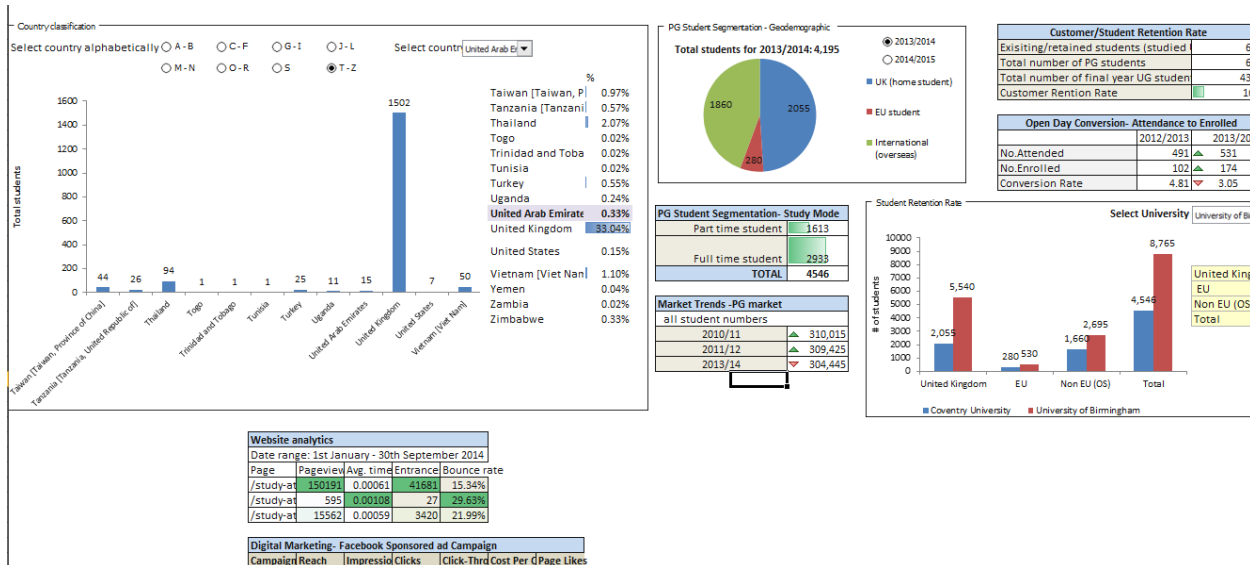

Fig 5: Web analysis of a site
