

# The Founder

Thanks for dropping in to check out the site. My name is Amardeep Makam and I founded the Acharya Academy in Jan 2007.

I have a total teaching experience of 15 yrs. I have coached in some of the reputed Classes like Vidyalankar, Excel, CHOPRA, Harsh, Gurukul, Acharya Academy, Agarwal Education C. I have also mentored students in Colleges like PIIT (New Panvel), RAIT (Nerul), G.V. Acharya (Shelu)

My proficiency includes Engineering (Degree) Maths-I, II, III, IV of all branches and Engineering (Diploma) Maths-I,II,III. I also teach Mathematics of XI,XII (State, CBSE)

The best part of my teaching is that I'm able to make the concepts & methods very easily understandable to every student. Students are very happy as I'm easily approachable for their doubts & complete guidance till the day of exam.
