

# Teaching Ecosystem

- ❖ Highly Qualified Faculty from IITs/NITs/AIIMS & PhD, who are adept in making complex problems simple and turning the LEARNING a fun-filled exercise
- ❖ NCERT is perceived as the BIBLE for conceptual clarity that enriches the fundamentals. We emphasise on Fundamental LEARNING rather than 'Rote-Learning'
- ❖ Weekly (Comprehensive – Chapter wise Aptitude Test) C-CAT is conducted. This helps students in plugging chapter wise problems and improving there upon accordingly
- ❖ Monthly Test and Discussion (TAD) is organised to review the performance of students, and to devise fresh strategies for further improvement
- ❖ 'Brainstorming Sessions' are conducted by teachers that help students clear their doubts after the completion of every chapter/topic making them confident enough
- ❖ All India OASIS Test Series (AIOTS) is conducted when Medical/Engg. Entrance Tests are close at hand. Score at this Test gives an overview of actual level of students' preparation
- ❖ 'Term-Test' is organised to review the firsthand experience and competition ranking of the students wherein their real competency levels are explored
- ❖ Unique 'Tailor-Made Teaching Methodologies' are employed by stable faculty members supplemented by a series of multi-faceted Tests at regular intervals
- ❖ Result Based Coaching (RBC) accelerates students' tempo to work smart and grasp the subject matter in easy and tricky manner to hit the success-goal
- ❖ Special Topic wise Booklets/Sheets are designed by subject teachers considering students' requirements every year that contain tricky questions and their solutions
