

OASIS Faculty Profile

for

Medical (PMT)

Mr. Sunil Gola, Faculty – Physics

Mr. Sunil Gola has acquired a household name as Physics Faculty. Having done Bachelor of Engineering (BE) from Delhi College of Engineering (DCE), he opted for the noble career in teaching Physics. Understandably, teaching for him is a sort of passion rather than profession. His approach is somewhat different from the majority of teachers as he employs the Eureka...approach that makes learning Physics a fun for those students who are reluctant to study Physics. He has been instrumental in sending average students to AIIMS and other prestigious Medical Colleges of the country by virtue of putting them into the temper of learning Physics. He is also adept in the art of inculcating genuine interest in students toward Physics that's why he is hailed as Physics GURU. Of his over 6 years of extensive experience in teaching Physics, he had 4 formative years with FIITJEE as Physics Faculty. He is currently serving as HOD, Physics at OASIS, Gurgaon.

Mr. Raghvendra Singh Rathore, Faculty – Chemistry

A Post Graduate from IIT-Delhi, Mr. Raghvendra Singh Rathore has had over 4 years of exhaustive teaching experience in Chemistry to AIIMS/AIPMT aspirants. Prior to joining OASIS, he was associated with Aakash Institute. His teaching style is as mesmerizing as it creates genuine interest in students. He has been instrumental in finding tricky solutions that save precious time of the students in exam hall; consequently they get an edge over others, which make them set sail into the race. He has good command over the discipline supplemented with elaborative skills. He leaves no doubt for the students to ponder upon. Students are fascinated by his teaching skills because he has made many average students outperformers.

Mr. Sandeep Dhankhar, Faculty – Botany

Mr. Sandeep Dhankhar, a CSIR (NET-JRF) qualified PhD from the University of Delhi has so many academic excellence in his credit. He has a long stint of over a decade in teaching. He has extensive experience in teaching ranging from PG Colleges to PMT aspirants. Prior to joining OASIS, he was associated with a series of coaching classes like Spectrum Classes, Paramount Classes, Sarthi Classes, Dev Institute and HTM Tutorials. His diverse experience comes in handy in making the students understand the fundamental concepts. His students have figured in Top rankers in different Pre-Medical Tests. He has acquired a renowned stature as Botany Faculty for PMT aspirants.

Ms. Ankita Swarup, Faculty – Zoology

A Post Graduate from JHU-Delhi, and CSIR NET qualified, Ms. Ankita Swarup has over 5 years of exhaustive experience in teaching Zoology to PG & UG students. She has also rich experience in teaching Zoology to PMT aspirants. Prior to joining OASIS, she was associated with Bansal Tutorials as Zoology Faculty. She is known for her unique pedagogic abilities that make the discipline easy for the students to understand. She has the knack to impart fundamental concept to the students which is required to crack the Pre-Medical Tests. Her students have outperformed in different Pre-Medical Tests. She has emerged a seasoned expert of Zoology in the arena of teaching PMT students.
