

When I was in class 8th, I was quite puzzled regarding taking admission in any coaching Institute. Then, Our Honorable principal Sir told us that we should take admission in ~~A~~ Scholars Academy paschim Vihar as it had all its teachers ~~as~~ as IITians. So we finally decided to study there. And it really worked. Our brains were sharpened. I gained a lot from my academy. My teachers Sudhanshu Sir and Tripathi Sir worked as a blessing for me. But unfortunately, my stars were not with me and I joined a regional college. But I never gave up and I decided to give a second shot at IIT. And it is a true saying that Hard work pays if not today then tomorrow, so I qualified IIT and bagged a very good rank in AIEEE. Thanks to my God & my gurus at Scholars Academy. Without them I would not have been able to realise this dream.
