A photograph of a severe traffic jam on a multi-lane road. In the foreground, several cars are visible, including a white car with license plate DL80 65805 and another with DL30 481. A large white bus with yellow and blue accents is prominent in the middle ground, with 'JHA TOURIST' written on its rear. The background is filled with more vehicles and people, creating a sense of a completely gridlocked road. The overall scene is hazy and crowded.
