

Leadership Lecture Scored 4 out of 5

Privilege to be invited for Leadership Lecture @ FIS Global Guindy on 31st Mar'16. The session is for 25 senior managers about Leadership for an hour & above. I thought what I need to go with 1 hour session & decided to take this topic of "Simple Leadership".

Session went on great & I was eagerly waiting for the feedback of the session from Senior Managers who attended the session. Today the feedback results are out I scored 4 out of 5 which is really a great score for the session.

Feedback take away:

1. What did you like about the program?

- Clear and easy to follow
- Interactive session
- Dynamism, Energy level of the presenter
- No jargons and simple language usage
- Realistic ideas and examples
- Simple Leadership skills & techniques
- Understanding the new trends and leadership styles
- the way it was neatly organized in a timely manner

1. What are the top take away from the program?

- Personal attachment to employees a must
- Encouragement & Appreciation for employees a must

- Supporting employees when they need shows great results
- Implementing the leadership skills in day to day work
- Understand the changing environment and culture and How to prepare oneself for the change
- Give importance to basics of leadership
