English for IELTS PREPARATION

IELTS (International English Language Testing System) is the world's most popular English language test. Taking IELTS opens doors – it can help you live, study and work around the world. More than 9,000 organizations worldwide accept IELTS, including Government, academic and employment institutions. The IELTS test measures one's ability to communicate in English across all four language skills; listening, reading, writing and speaking. It has 2 versions- Academic and General Purpose.

This course is for learners who use English competently but need to develop reading, writing, listening and speaking skills for the IELTS General Training or Academic examination. The duration of this course varies from few weeks to 3-4 months. It imparts all the strategies and techniques required to tackle various question types across all skills effectively.

English for TOEFL PREPARATION

The TOEFL (Test of English as a Foreign Language) iBT (internet-based test) is an entrance requirement for non-native English speakers at nearly 2,400 colleges and universities in the United States & Canada. The exam measures your ability to use and understand English in an academic setting. The duration of the test is 4½ hours. It tests your English speaking, listening and comprehending, reading, and writing skills.

We help you prepare for the TOEFL by first systematically imparting the techniques of attempting each question type and then practicing under the exact simulated test conditions. This course is for learners who use English competently but need to develop reading, writing, listening and speaking skills for the TOEFL Examination.

English for PTE (Pearson's Test of English)

PTE (Pearson's Test of English) is an international computer-based test of English language. It measures your English ability by testing your level of English through tasks which reflect real-life settings. It is widely accepted by universities, higher education institutions, and government departments around the world. PTE is fast becoming a preferred English test for students due to availability of dates and instant results. The test is divided into three main parts-

- Reading,
- Speaking and Writing,
- Listening and lasts for three hours with an optional break of ten minutes.

We help you prepare for PTE by first systematically imparting the techniques of attempting each question type and then practicing under the exact simulated test conditions.
