"ITech Analytic Solutions is the best institute in Bangalore to study Advanced Excel, VBA, Dashboard. I was searching for a good institute across Bangalore for a long period to study VBA. Finally I found iTech Analytic Solutions which is a unique institute with its way of teaching and approach towards its students."

- Dinesh Shetty
Business Analyst, IBM India Pvt Ltd

Best place to get the feel of real time projects. Only practical sessions during the sessions. Loads of real time data simulation with mock projects. Industry experienced trainers. Well built tutorial and code library to refer at any given point of time. At the end of the day, will be very confident to handle D A T A.

- Ahmed Beig
Business Analyst, Genpact

Definitely the best computer class I ever took I do not even know how you could have done a better job. It was an awesome course delivered by extraordinary Trainers. Yes, I truly admire your in-depth knowledge, approach and ideas. Totally fantastic right level and right material.

- Lokesh M
Sr. Data Analyst, Accenture

The Quality training here will Influence you for sure. No doubt this Institute is best in its class for all the Experienced and Beginners. Strongly recommend people to take up Reporting/Data Analytics package and make way for a best career growth. I have come from Dubai to learn Reporting Analytics recommended by my friend.

- Shyam Sasidharan N
Manager Airline Sales, Abacus International (Dubai)

Very useful tools of learning in computer available at iTAS Mathikere. A very committed & dedicated faculty. Open & interactive learning sessions. It was fun while learning. 100% guarantee about knowledge delivered. I am looking for job in Australia now. I have the confidence that I will get job in Australia with the knowledge got from iTAS.

- Sangita Bhardwaj
Looking forJob, Australia

iTech Analytic Solutions is a unique training institute for EXCEL, VBA, MS - ACCESS, etc.., and now-a-days most powerful & useful tools for any organization in the IT and BPO industries. iTAS conducts training on all the courses which makes us understand in a easy manner. I am very glad to get trained by iTAS on Excel, VBA which helped in my career growth.,

- K Mohan Reddy
Sr. MIS Executive, Hinduja Global Solutions (HGS)

I have experienced the best personalized attention at Itech Analytic Solutions and training is very much industry oriented and trainings especially Excel is designed into separate levels such as Basic, Intermediate & Advanced to suit our requirements. Last but not the least you will derive the satisfaction of learning more than what you have paid for.

- Ashwin V S
Sr. Consultant, Honeywell

Very useful Course lists available for learning at iTAS Mathikere. A very committed & dedicated faculty. Open & interactive learning sessions. It was fun while learning SAS. Course materials are easy to understand and implement the same on projects. 100% guarantee about knowledge delivered......

- Radha M
Associate, Genpact

Corporate Feedback

" Thanks to iTAS team for automating our Reports. It would be very difficult for us to handle such huge data by manual process. I appreciate the quality of the project delivered by the team. Communication, response for the queries was indeed very good. We would be glad to give more projects to iTAS and recommend the iTAS Team for my Business Partners. Thanks once again. All the very best to iTAS Team. "

- Vinod Kumar
CEO, Co-founder, Neela Inc

" Your training is helping us more rapidly build and maintain the strong, consultative client relationships so critical to our success. The tools and automations you have developed have made our job painless. And, your Advance Excel trainings in our Company have greatly enhanced our individual productivity and effectiveness. We can't wait to see what you'll help us achieve next. "

- Ravi Athresh
Clean Energy Alerts

" I am definitely finding it a lot easier than the last system we had. So far the system has been great and it has been a pleasure working with you guys. We really appreciate all the effort you have put into getting us the right software. Thanks for making this so easy :-) "

- Ashok Kumar
