

Fosters Creativity

Enhances Critical Thinking Skills

Builds Self-Confidence

Creates Better Readers

Sets Children Up for Success

- This course is designed for children in the age group of 6 yrs onwards. It helps to improve Cursive Writing and Speed Writing Skills.

This is 2 Level program in which:

**Level-1:** Focuses on Handwriting improvement (Cursive / Script / Marathi / Hindi)

**Level-2:** on Speed Writing (Cursive).

- Smart Grammar** (Age Group 8-12 yrs.)

Communication is the heart and soul of the human experience. It includes speaking, listening, and writing. Nobody actually learns grammar to learn his / her own mother tongue. It is a natural phenomenon that we start speaking what everybody speaks around us. We gradually develop a better sense of understanding with the passage of time. When we come to learning a new language like English, we need to study its grammar, to polish our language. The importance of Grammar cannot be neglected.

This course is for the children of age group between 8-12 yrs. (2 Level-Program)

Parts of Speech	Vowels	Nouns	Interjection	Pronouns
Tenses	Adjective	Clauses	Verbs	Degree of Comparison
Adverbs	Active & Passive Voices	Preposition Conjunction	Direct & Indirect Speech	

- Smart Calligraphy** (Age Group 7 yrs.-Onwards)

*"The art of giving form to signs in an expressive, harmonious, and skillful manner".*

**Calligraphy** is a visual art related to writing. It is the design and execution of lettering with a broad tip instrument, dip pen or brush, among other writing instruments.

Creative Writing	Improves eye-hand coordination
Composition & Balancing	View historic and contemporary works

- Smart Rubik's Cube** (Age Group 7 yrs.-Onwards)

**Rubik's Cube** is a 3-D combination puzzle invented in 1974 by Hungarian sculptor and professor of architecture Ernő Rubik. Originally called the Magic Cube. Speed cubing (or speed solving) is the practice of trying to solve a Rubik's Cube in the shortest time possible.

It improves spatial awareness.	It exercises the brain.
It demonstrates the need for practice.	It represents a pure example of true learning

The first world championship organized by the Guinness Book of World Records was held in Munich on March 13, 1981.

This is One level program where we teach to solve 3x 3 Cube.
