TIPS FOR SPEAKING  
TEST

# THE SPEAKING TEST

TIPS FOR READING  
TEST

# THE READING TEST

● Read through the questions carefully.  
It can save precious time later.

● Keep ample time to answer questions. Reading a section  
Should ideally take about 12 minutes of time.

● Don't answer purely based on what  
Was read, sometimes questions are logic  
Based too.

● Get into the habit of skimming  
and scanning while reading.  
Read in detail.

TIPS FOR LISTENING  
TEST

# THE LISTENING TEST

● Focus on the audio completely. It plays only Once. Learn to multitask. Answer as you listen.

● Don't leave a question blank. It always helps to Answer something. You can skip and come back to The question time permitting.

● Pay attention to the instructions given. If it says for example " Answer in less than 3 words" Please stick to it.

● If you spell something wrong, You won't get any points. Pay Attention to your spellings.

TIPS FOR WRITING  
TEST

# THE WRITING TEST

● Punctuation and Grammar are key to  
A good score in writing test.

● Make sure you count the words at the end of  
Your test. Being short on words can lead to loss  
Of points.

Practice writing in short paragraphs.  
The examiner finds it easy to read,  
● Understand and rate your writing.

Writing a good conclusion at  
the end can also enhance your  
● score.
