THE COLLECTION

JANUARY

FEBRUARY

MARCH

APRIL

THE COLLECTION

the collection always represents our brand's DNA of timeless, effortless and covetable style, grounded in utility and elevated modern classics, with a strong current of contemporary trend, always interpreted through our brand filters.

mood: calming, luxurious and elevated.

bottom: each month it will be grounded in a new seasonal pant message.

end use: work, day to night, luxe casual.

february | introducing: the 24-hour pant complex

- slim, wide & culotte.
- ecovera bi-stretch, machine washable ponte.
- appropriate for all occasions.
- alpha size potential.

march | introducing: the organic cotton correspondent's collection

- cross category
- hero the correspondent's cotton suit: straight pant & blazer
- ecru denim.
- mid gg sweater yarn for third pieces.

april | introducing: the performance linen collection & eco-friendly linen tee

- cross category
- stretch, machine-washable linen.
- hero the crop pant suit.
- eco-friendly linen tee; dress up or down

the original
species.

THE COLLECTION

A classic and elegant yet very minimalist way of dressing is what this category talks about. The fabrics are designed to stay in the market and be loved for seasons throughout. The silhouettes defined by these fabrics are effortless and chic and they aim at celebrating the women rewriting the history.
