

Dear Ms. Kosha, Congratulations on your new endeavor and hoping all the success. My stint with you at Serra

International -Juhu has been one of most supporting endeavours and having you to guide us whenever the need arrived. You have always been so understanding and approachable with positive solutions to all our road blocks at school. I wish in future we do get an opportunity to have an association.  
Warm Regards,

— Mitali Maniar : Pre school  
Educationist
