CITATION

SECOND IN ACADEMIC PERFORMANCE

“Success lies in not only using the right opportunities but in making opportunities out of difficulties”.

The silver medal is awarded to the student who stood second in the class. This is the student who worked hard in academics and remained amongst the top bracket of the class. To maintain a top rank in the course of all the semesters is extremely tough and laudable.

Amity University Uttar Pradesh is proud to confer the 'Silver Medal' upon **Shubhi Bisaria** student of **Master of Arts - Counselling Psychology (2019-21)** on the 17th Day of December 2021.
