The Picnic

Lesson Plan Activity: Anecdotes

Skill in Focus: Speaking and Listening

Objective

To enable the learners to explain the ideas based on their experiences effectively.

Activity

To run a discussion on the topic, 'Picnic with friends, family and in the lockdown.'

Stage 1: Warming Up

An Introduction. General Questions about their day. Topic specific questions may be asked as:

1. How many times have you been to Picnic?
2. Were school picnics interesting? Picnic Stories.
3. What is difference between a school picnic and a family picnic?

Stage 2: Introducing & Running the Activity

Introduce the activity to the learners and ask them to present their ideas and experiences. Encourage interaction between the learners. Counter question and help them when required.

Stage 3: Closing the Activity

Close the activity by sharing your experiences and by reviewing their speaking.

Stage 4: Conclusion

Close the session by giving your feedback for each learner and tips on improvement.

Facts @ Facts

1. The word Picnic was first seen in English in 1748.
2. June 18th is observed as International Picnic Day.

Word of the Day

Commendable: Deserving of high regard/praise or great approval.

1. I highly commend Team India's selection of Hardik Pandya.
2. His decision was commended by his team mates.
